## Thank you for your support

Thank you for responding to the message sent earlier in the week regarding the Church Yard.

"While we understand children may be curious, the graveyard is a place of peace and respect for those who have passed away.

Here at St Chad's School we value teaching respect and responsibility. Please can we encourage you not let your children run/ play in the Church yard before and after school please.

Thank you for your cooperation in keeping our community a respectful and peaceful place."

## Sharing Friendship

Our Values Collective Worship this week was based on how people can be hurt when people say unkind things.

*"The only way to have a friend is to be one"*
